Pen 13	Supplementary Notes:									
	Bulls have been selected for temperament, be careful and alert when inspecting the bulls.									
	Remember all bulls are unpredictable, always keep a watchful eye on the bulls.									
	Bulls were scanned, weighed & scrotal measured by Roger Evans on the 21rd August 2023.									
	Bulls were semen tested by Geoff Steinbeck Exrel Genetics on the 10th August 2022
