Dear Shorthorn Beef Producers,

A warm welcome to our 30th Anniversary on Property Bull Sale with 40 bulls available for your competition on the 28th August, commencing at 1pm.

The 2024 draft has had a solid preparation with a dry summer and one of the wettest winters we have seen for years. This group of bulls have been a step ahead since weaning, particularly the yearling bulls and the sons of Bayview Executor R86, who present as an excellent group.

We have been extremely impressed with the performance of the new sires in the 2 year old bulls, who have increased the carcass characteristics, notably marbling and rib/rump fats of the contemporary group. The bulls went onto oats on the 10th June and will present in excellent order.

In general market news, its great to see a positive shift upwards in the cattle market recently. All the market forecasts I have read are pointing to a positive 2025 and ahead.

A big thank you to the Angus family of Signature Beef who have provided the beef for this years sale. We are proud to be collaborating our genetics with this powerhouse beef program!

Thank you for your interest in the Manchee Agriculture program, we look forward to seeing you on the 28th August 2024.

Kind Regards,

John Manchee
Manchee Agriculture

Shorthorns Perform At “Pleasant Hills” Roma, Queensland

In May this year, Emma Clarke and I travelled to Dose Pastoral Company based at Pleasant Hills, Roma Queensland. Dose Pastoral is a fully owned subsidiary of SANTOS Limited with properties situated East and West of Roma and North of Injune. The agriculture division is managed by Andrew Snars and Jim Sands with Pleasant Hills managed by Jeremy Knight. Currently the operation is running 2000 Droughtmaster breeders and 600 replacement heifers.

“We have been very impressed with the Yambugan bulls up here in this climate. They worked extremely well, held their condition, and have bounced back well” - Jim Sands

Dose Pastoral purchased an outstanding line of bulls from our 2022 and 2023 sales with tremendous results. ‘We have seen a very rapid increase in fertility, cows in calf, weight for age and consistency of the progeny,’ Jim said. Over the last two years the pregnancy test results have risen to 93 percent and the first crop of weaners (pictured) have averaged 46kg heavier than their contemporaries.

Dose Pastoral has purchased sons of Monkira M44, Gigabytes M1052, Zeus M499 and Zeus H140.

The country is beautiful undulating breeder/fattening country made up of Bottletrees, Box and Buffel grass. It’s ideally suited to a Droughtmaster Shorthorn cow herd.

Lots showing the  logo are selected as potential sires or donors for Manchee Agriculture to use in the future. Manchee Agriculture retains the right to collect up to 300 straws, for in herd use at no cost to the purchaser. Manchee Agriculture will collect semen at an agreed time with the purchaser.

SUPPLEMENTARY SHEET

All bulls will have up to date weights, EMA, fat depth, scrotal size measurements and have been semen tested. A supplementary sheet with this information will be available from the 21st August, 2024. EPD figures are printed in the catalogue. SFR registered Bulls will be upgraded to HBR when sire DNA is complete.

INSPECTION

We encourage prospective buyers to inspect cattle prior to sale. This gives us an opportunity to assist you in your selection of the best genetics for your requirements. Inspection on sale day will be from 9am.

ACCOMMODATION

Accommodation can be hard to get in Narrabri, we recommend you book early.

Nandewar Motor Inn - (02) 6792 1155 or 1800 027 941.

Southern Cross Motor Inn - (02) 6792 3838.

Club Motor Inn - (02) 6792 3191

Mid Town Inn - (02) 6792 2233

Adelong Motel - (02) 6792 1488

TRANSPORT

Bulls sold to Queensland, South Australia, Victoria, Tasmania and Northern Territory are eligible for a transport rebate from Manchee Agriculture to the NSW border.

HEALTH

All bulls have been vaccinated with 7 in 1 and Pestiguard and drenched with Dectomax on 12th July 2024. Booster shots are due in June each year. Semen testing will be carried out by Geoff Steinbeck, Excel Genetics, Dungowan. (02) 6769 4251. The bulls are guaranteed fertile on the day of the sale.

BREEDING GUARANTEE

All bulls are guaranteed to be breeders with the exception of:

- (a) In the event of injury or disease that occurs to the animal after the sale;
- (b) Gross negligence or wilful misconduct on the part of the purchaser.

BUYERS INSTRUCTION

1. No verbal instructions will be accepted.
2. Please use the instruction slip provided by the settling agents and hand it to the booking clerk before leaving.
3. Instructions for dispatch for consignments comprising of more than one owner must be signed by each buyer, no instructions will be considered complete until all have been signed.
4. All bulls will be sold GST exclusive.

BUYER REGISTRATION

We request that all prospective buyers register and receive a buyer number before the sale.

OUTSIDE AGENT REBATE

An outside agent rebate of 3% will be offered to agents who attend the sale and introduce their clients in writing to Hamilton Mortimer Agency, 02 6792 3163, at least 24 hours prior to the sale. Agents introducing their clients in writing at least 24 hours prior to the sale and not attending the sale will be paid a 1% rebate. The rebate WILL NOT be paid outside these conditions.

AIRCRAFT

There is an airstrip at Narrabri. Vendor's agents will be happy to arrange transport to the sale. Please make contact well before the sale date.

DISCLAIMER

The vendors, selling agents, its members, related corporations and employees, will act with due care to provide correct information but will not be responsible for any errors or omissions in this catalogue. All persons who attend the sale do so entirely at their own risk and the vendor, Manchee Agriculture and the selling agents do not assume or accept any responsibility or liability, of whatever nature, legal or otherwise, for any accident, injury or damage which may occur.

Yamburgan Emperor J396 (P)

04 September 2013

Emperor J396 was used as an AI sire with excellent results. He has bred a very consistent line of both male and female progeny. His progeny are more moderate than himself with the same degree of softness and doing ability

BAYVIEW EXECUTOR R86 (P)

01 July 2020

Bayview Executor R86 has bred a beautiful line of yearling bulls this year. He carries an extra degree of muscling and has certainly passed that onto his progeny. An impressive sire who moves very freely for a bull carrying this much carcass.

A young sire with a lot of potential and one of the most complete bulls to be catalogued this year. A beautiful natured bull with balance, softness and excellent carcass characteristics. The dam, Yamburgan Connie P183 is from a very solid female line, she is a moderate framed extremely sound uddered breeder. The grand dam is still in production with 10 calves in 10 years.

DIRECTIONS TO MANCHEE AGRICULTURE

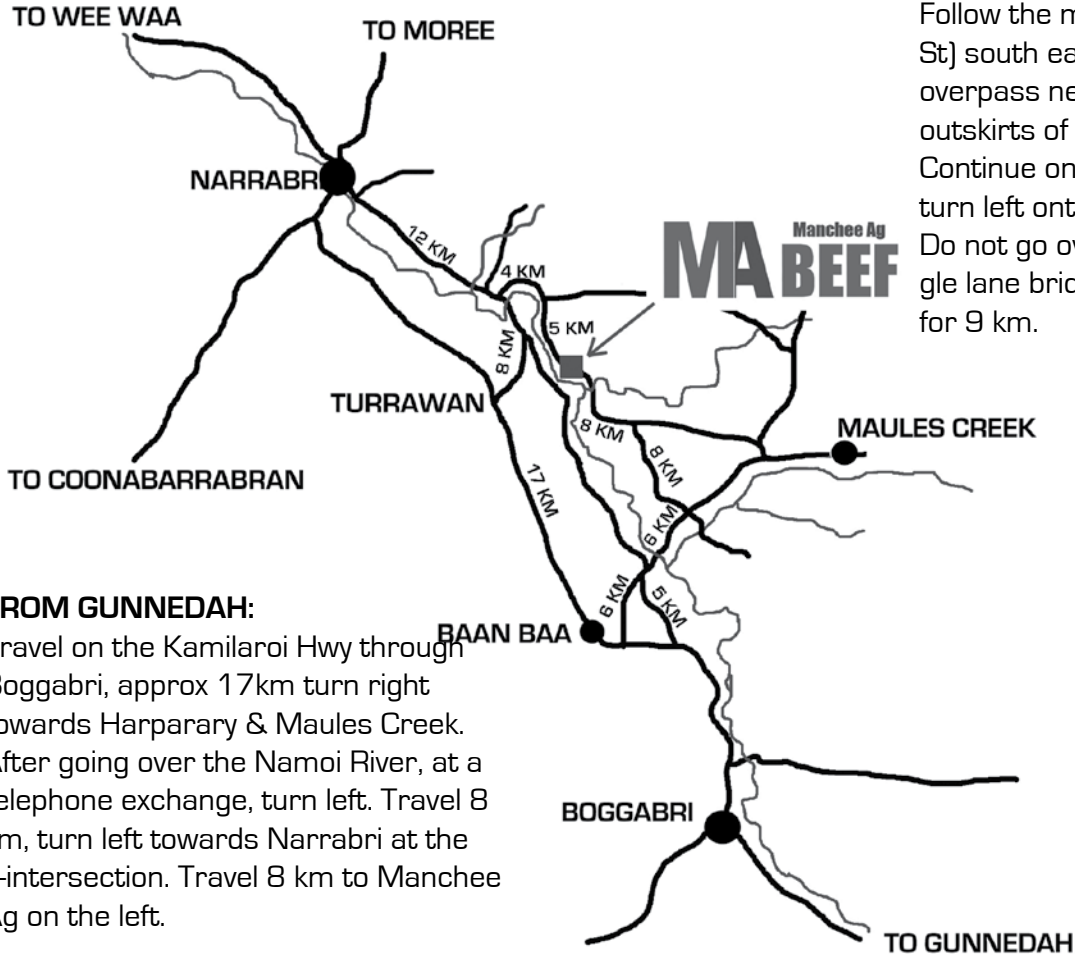

YOU CAN ALSO FIND US ON **GOOGLE MAPS** BY SEARCHING FOR MANCHEE AGRICULTURE.

Look for blue & white MANCHEE AG road signs.

FROM NARRABRI:

Follow the main street (Maitland St) south east, under the railway overpass near the RSL club on the outskirts of town.

Continue on this road for 12 km, turn left onto the Maules Creek Rd. Do not go over the Namoi River (single lane bridge). Travel on this road for 9 km.

FROM GUNNEDAH:

Travel on the Kamilaroi Hwy through Boggabri, approx 17km turn right towards Harparary & Maules Creek. After going over the Namoi River, at a telephone exchange, turn left. Travel 8 km, turn left towards Narrabri at the T-intersection. Travel 8 km to Manchee Ag on the left.

ACCOMMODATION CAN BE DIFFICULT TO GET IN NARRABRI - PLEASE BOOK EARLY.
MOTEL DETAILS ARE AVAILABLE ON THE SALE INFORMATION PAGE.
